The Triangle

The Triangle is published weekly by the Hanover students. A faculty committee appoints the Editor and Business Manager who in turn appoint the other members of the staff. During the twenty-odd years of its existence its aim has been to preserve an accurate record of Hanover College life and to keep before the student body the ideals of the college. The Triangle has had a successful year in the hands of an able staff.

College Band

The College Band was organized this year under the direction of Prof. Poland. This organization has developed into a unit which the school may be well proud of. Besides playing for the football and basketball games, it has made several appearances in Chapel.

The officers this year were: William Joyce, president; Everett Hall, secretary-treasurer; Maurice Graston, business manager.

The personnel of the organization is as follows:

Director-W. Maxwell Poland.

Trumpets—Malcom Lemon, Harold Raidt, William Joyce, Maurice Graston, Harry Weir, Clarence Gray.

Varsity Debating

After an absence of several years, Hanover made a successful re-entry into the Indiana Debating League this year. Lovers of the famous indoor "sport" at Hanover can well be proud of our record, in the past year. None of the team had had intercollegiate debating experience before, and several had done little debating of any kind. Even with these handicaps, we won half of the decisions. The subject debated was the St. Lawrence Waterway question.

In a dual debate with Franklin, we split even; and in a triangle with Indiana Central and Earlham, we lost to Indiana Central, and won from Earlham. Both of our victories were on the Donnell Chapel platform.

French Club

The French Club was organized the second semester of this year under the leadership of Miss Anderson. Membership, which is limited to twenty-five, is open to those of the advanced French classes who are recommended by their instructor. At the meetings, which are held each Thursday night, the French language is used exclusively, in conversation, games and playlets. Interest in the French language has been greatly stimulated by the formation of this club.

Among the newer organizations on the campus, the German Club, known in the German tongue as the "Die Deutsche Gesellschaft", is one of the most prominent and popular. Under the guidance of Miss Garten, the club was organized to increase interest in the department by promoting a better understanding of the German people, from a study of their language, literature, and customs. This organization has its regular meeting every third Wednesday of each month, and the meetings are directed by the students themselves.

Y. W. C. A. Cabinet

The Y. W. C. A. has been from the day of its founding in 1885 one of the strongest, most influential organizations on Hanover's campus.

This year the Y. W. C. A. has had its meetings at the home of President Parker each Sunday evening. Those meetings which have been held jointly with the Y. M. C. A. have been particularly inspiring. A new constitution is being formed which will be put into effect next year, and great plans are being made for the future of the organization.

As usual the Cabinet wave a reception for the freshmen in the fall and sponsored the May Day festivities.

Hanover College is famous for having as early as 1869 organized a Young Men's Christian Association and for having erected the first Y. M. C. A. building. As long as it has existed it has been a live organization whose purpose is to stimulate spiritual interest and to sponsor worthwhile movements on the campus.

The Cabinet acts as a governing body, promoting the work of the association and executing its plans. This year the cabinets of the two Christian Associations are redecorating the old building inside and out.

COACH C. V. MONEY

Director of Athletics

FOOTBALL

Yell Leaders

Nothing gives a team more fight than loyal supporters with lots of pep. A crowd is like a steam engine that is just ready to "pop off", and during a game they need an engineer to direct this steam. Chambers and Lewis are really the engineers that can guide this yelling steam. They not only go through all the movements that are essential to a good yell leader, but they also yell. It was nothing uncommon on the morning following a game, to hear the yell leaders talking in a whisper.

Athletic Managers

Ellsworth Bear, Richard Conley, Wells Fish, and Gerald Whitsitt were the athletic managers for the year 1929-1930. One who has not taken part in athletics or been around the Field House cannot realize how much these managers devote to the cause. They were very punctual and were always ready to assist Coach Money in any of his endeavors. The seniors, Conley and Bear received "H" sweaters this year.

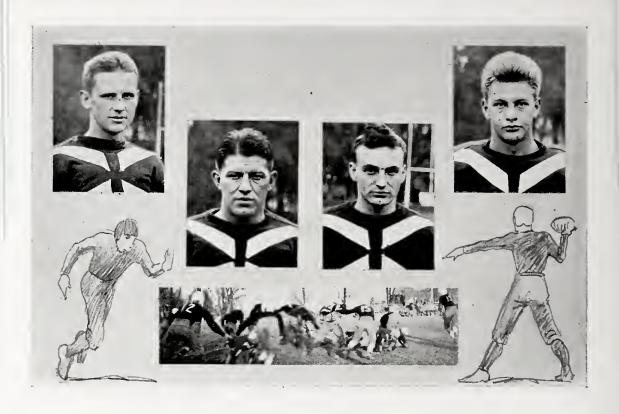

HANOVER 32—LINDSEY-WILSON 0

The first game of the season, as well as the first night football game in Indiana was played on Hanover's home field. After Taggart scored a touchdown in the first few minutes of the game on a line plunge, there was no question as to the outcome. Among others who received the thrill of crossing the opponents goal line were Anderson, Higgs, Buck and Behmer. The most sensational period of the game was when Behmer intercepted a pass and ran 50 yards for one of the sweetest touchdowns of the season.

HANOVER 6—OAKLAND CITY 0

Again the old rivals met, but this time the Panthers succeeded in downing the Oaks. It might be classified as an aerial game, because many forward passes were attempted. Oakland City completed one pass out of nine, while Hanover completed two out of five. Hanover made eleven first downs, and Oakland but one. It looked as if this would be a scoreless game, until Rockwell succeeded in recovering a fumbled pass and paced with ease across the opponents goal line.

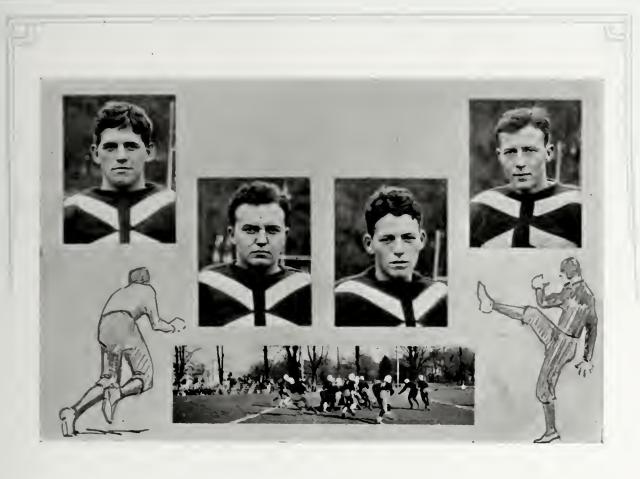

HANOVER 0—BETHEL 20

The consistent fighting of the boys from over "thar" was too much for the Red and Blue. Although the first quarter was unquestionably Hanover's game, because twice during this period the goal line was only five yards away, but the drive was not forthcoming. Captain Weaver was by far the most outstanding player for the opponents, scoring two of the three touchdowns. Lewis, Taggart, and Dill played exceptionally good games.

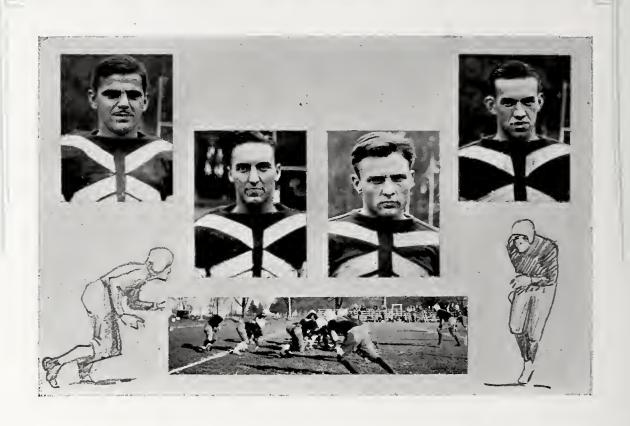

HANOVER 7—ROSE POLY 19

On October 19, 1929 the Panthers journeyed to Terre Haute where they met the Engineers at their home stadium. Rose Poly started the game with a rush and succeeded in scoring a touchdown in the first few minutes of the game. Again, shortly before the end of the second quarter, the Engineers with their "Hip, one, two, three, let's go" and their quick shift cost the Panthers another touchdown. Hanover came back in the third quarter determined to score and score they did. Behmer took a long pass from Buck and ran thirty yards for a touchdown. During the third quarter "Clown" received an injury from one of the Rose Poly boys, which put him out for the rest of the season.

HANOVER 0-EARLHAM 0

Everyone will admit that this game between Hanover and Earlham was by far the best game of the season. Hanover had been doped to lose this game by three touchdowns but the old senior fight was too much for the Quakers. The seniors, Garriott, Easton, Abbott, Telle, Thayer, and Buck gave the best they had in them for the last fight on Hanover's field. Hanover reached the six- and eight-yard lines twice during the game but they were unable to complete that final drive that means so much. Guyer, freshman center, cut back and made a beautiful tackle on an Earlham man that had clear sailing for a touchdown. Hanover held the Quakers on their three-yard line in the last three minutes of the game. Higgs got off a nice punt that made the game safe for a moral victory. Garriott's flying tackle in the last few seconds of the game will long be remembered.

HANOVER 0-WILMINGTON 13

Hanover played their last game of the season at Wilmington, Ohio, November 19, 1929. Wilmington started with a bang and made two touchdowns in the first quarter of the game. The Panther's line was a little light for the Wilmington offense. The last three quarters of the game, Hanover's defense strengthened and the rest of the battle was fought on even terms. Telle recovered a fumble and raced forty-five yards for a touchdown, but the referee refused to count it. Wilmington made twelve first downs to Hanover's one. Wilmington completed six out of eighteen passes, while Hanover completed three out of eight. The consistent punting by Higgs kept the Wilmington eleven from running up the score on the Panthers.

These men did not play in enough quarters to receive the varsity award, but received the minor award. This was the first year for the majority of these men to play football, and with this material back for next year, Coach Money should have a winning team next season.

BASKETBALL

HANOVER 38—INDIANA LAW SCHOOL 17

In the first game of the season the Indiana Law School of Indianapolis came to Hanover to meet the Panthers. This was a profitable game for Coach Money because in it he was able to use every man on the squad and to some extent determine their ability under fire. Wallin was high point man for the Panthers by caging five baskets from the field. The new material showed up well in this game.

HANOVER 52—VINCENNES 14

Nine of the Hanover squad, namely: Wallin, Rockell, Garriott, Telle, Nicely, McNulty, Nabb, Cooperider, and Fuller journeyed to Vincennes for the second game of the season. The Panthers romped rough-shod over the Vincennes boys for a count of 52-14. The Hanover aggregation really played basketball.

HANOVER 20—OAKLAND CITY 34.

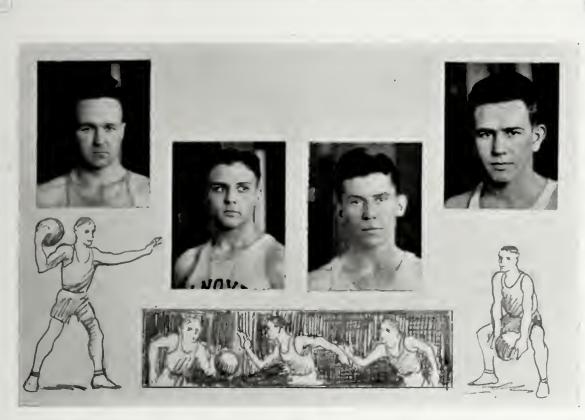

On the following night after Hanover had demonstrated such excellent style of ball to the Vincennes quintet, they met their old rivals, the Oaks. The Panthers found out early in the game that they were in fast company, but were able to hold the score down to 34-20.

HANOVER 32—ROSE POLY 27

The third game of the week-end trip the Panthers defeated the Engineers. Hanover was in the lead throughout the game but not by a sufficient number to make the game safe by any means.

HANOVER 27—TRANSYLVANIA 19

The Panthers journeyed down to Lexington, Ky., to meet the Transylvania College team. This was our first game in the history of the college with the Transylvania Boys. They proved to be good athletes as well as very good sports. Several good compliments were passed to the fans of the "Blue Grass State". Although Transylvania College with the Transylvania Boys.

vania had suffered many one-point defeats during the season, they were able to give Hanover an excellent run for their money. We hope in the future to schedule more games with our neighbor state across the Ohio.

HANOVER 21—INDIANA CENTRAL 28

This game was a fight from beginning to end. Hanover had many more shots than the visitors, but they were unable to connect. The score does not give us a true picture of the game, Telle being put out of the game on personals three minutes before the end of the game, and it was in these last three minutes that Indiana Central gained this seven point lead.

HANOVER 23—WILMINGTON 30

On February 3, 1930, the Panthers journeyed to Wilmington, Ohio, where they met many of their old football enemies disguised in basketball uniforms. Although we pride ourselves on our Indiana basketball, we found that the Ohio boys knew a little about the game. Wallin and Telle led the scoring for the Panthers.

HANOVER 21—EARLHAM 29

The second of this trip was played at Earlham. The Panthers were unable to get going against the fighting Quakers. Telle was high point man for the Panthers.

HANOVER 35-N. A. G. U. 14

The Panthers met the Indianapolis team on the night of February 8th. This was a Hanover game from the very beginning to the end, and it was in this game that Rockwell got back to form and tallied fourteen points for the home boys.

HANOVER 19—OAKLAND CITY 20

This was one game that the Hanover boys hated to lose. The old football feud was remembered and naturally both teams fought with all their might. Wallin again carried away the scoring honors.

HANOVER 26-EVANSVILLE 46

The Panthers were confident of winning this game but with the very first few minutes they found that they were in fast company. Hanover had numerous shots but few connected. Nabb, shifty floor guard, was high point man.

HANOVER 68—VINCENNES 19

It was in this game that Coach Money's team really exhibited many of the offensive plays he had taught them. All of the regular five were hot in their shots. Telle and Garriott played good, while McNulty, freshman forward, played a very heady game. He will give the old forward a tight race for a permanent position on the team next year. He plays rather unconcerned but nevertheless he really goes places. Nicely, Rockwell, Telle, and Nabb were high point men.

HANOVER 21—SOUTHERN ILLINOIS NORMAL UNIVERSITY 24

This game was played at Carbondale. The Panthers played a very good game considering the opposition they had. This team having played some of the teams of the Illinois Big Ten. Rockwell carried away the scoring honors.

HANOVER 46—ANTIOCH 14

The last home game of the season and the next to last game of the basketball season, the Panthers met Antioch. Hanover made a fast offensive game out of it, Antioch having the ball only a few times during the game. Fuller played a very good game. This was the last time that Garriott and Telle played on the home floor. All their loyal supporters were glad to see them end their last game at dear old Hanover in such grand style.

HANOVER 32—INDIANA CENTRAL 33

The last game of the season was played at Indianapolis against the Indians. This game was really a battle, the game being won by the Indianapolis boys in the last thirty seconds when one of their boys caged a long shot from the center of the floor.

Varsity Tennis

The only branch of athletics in which Hanover has always ranked among the best in the state, is tennis. Our tennis courts excel those of many other larger colleges and universities. In the fall the courts are not often in use, but in the spring-time practically the whole student body engages more or less in this pleasant exercise and the courts are used constantly. Not only the fellows, but also many of the gentle sex, make use of their time on the courts.

Last year the team was composed of Robert Griffey, Walter Reed, Maurice Hale, and Freddie Buck. Matches were played with Indiana State Normal, University of Kentucky, Centre College, Franklin, and Wabash Colleges. Hanover winning the Franklin match, and losing the other four matches by a 4-3 count.

The interfraternity tennis tournament held during commencement week was won by Phi Gamma Delta, defeating Beta Theta Pi in one of the most interesting tennis matches ever played in Hanover.

RALPH H. ANDERSON
Manager of Intra-Mural Athletics

Intra-Mural Recreational Ball Winners

Early in the spring, Coach Money announced that there would be a recreational ball tournament, as there was the year before.

Six teams answered the call, and many interesting games were witnessed. The teams that entered were the Beta Theta Pi, Phi Delta Theta, Phi Gamma Delta, Theta Kappa Nu, Alpha Delta Alpha, and the Unorganized.

The Phi Gams were victors with the Phi Delts being runners-up. This makes the second consecutive year that the Phi Gams have won this trophy.

Intra-Mural Track Winners

Coach Money announced that in the afternoon of May Day, an intra-mural track tournament would be held. This proved one of the most interesting events of the school year.

Teams were entered by the Phi Delta Theta, Beta Theta Pi, Phi Gamma Delta, Theta Kappa Nu, Alpha Delta Alpha fraternities and the Unorganized boys.

The Phi Delts won the meet, while the Phi Gams were runners-up.

Intra-Mural Volley Ball

Some good hotly contested games were to be seen by those who attended the volley ball series, which were held in the early fall. Six teams made up the league. After each team had played everyone else, the unorganized boys were yet to be defeated, so were declared the champions. The Phi Gams were the runners-up, with four victories out of five games.

Intra-Mural Basketball Winners

The Phi Delts walked away with the trophy given by the Athletic Department for the winner of the Intra-Mural basketball tournament. Six evenly matched teams were in the league. The Phi Delts proved that a team is never beaten until the last whistle blows, by defeating the Phi Gams in one of the best games ever played in the Hanover Gym. The Phi Gams were runners-up in this tournament.

Inter-Fraternity Basketball Champions

Probably at no other time of the year is there more enthusiasm than is there during the Inter-Fraternity Basketball Tournament. For the past ten years the different fraternities have been striving for the cherished Fitzgibbon trophy. This year the Phi Delts had two legs on the shield, as the Phi Gams have had twice before. This year the games in all cases were not as close as usual. The Phi Gams defeated the Betas 36 to 15. The Phi Delts won from the Theta Kappa Nus by a score of 20 to 13. The final game was played between the Phi Gams and the Phi Delts. It was a decisive victory for the Phi Gams, the score being 23 to 16.

This has been a very lively and successful year for W. A. A. Fifty-one members make the organization larger than ever before.

There was plenty of pep and enthusiasm out on the soccer field this fall and especially during the tournaments. The Yellow Jackets were victorious in the color team tourney, and the upper-classmen won the inter-class contest.

Basketball started with the close of soccer. Many good teams were developed under the leadership of Miss Mitchell. One of the best girls games of the season was played between the Alpha Delts and the Phi Mus. It was fast and exciting and showed that the girls had received some real coaching, and knew the meaning of team work. The game was close throughout and ended with a score of 22-21 in favor of the Phi Mus. This made the Phi Mus victors of the tournament, taking the silver trophy away from the Alpha Delts who won it the year before.

The inter-class trophy went to the freshmen. The free-throw was won by Dorothea Bramwell for the third time, making the cup her's permanently.

In the spring we find that baseball and track head the list. Tournaments are played in baseball, and last year they had the first girls track meet ever held in Hanover. It was won by the Phi Mus.

HONORARIE

Alpha Phi Gamma

Alpha Phi Gamma was founded at Ohio Northern University at Ada, Ohio, in 1921. This organization being the first national honorary fraternity on the Hanover Campus. Alpha Phi Gamma is a valuable asset to campus publications, in which its members hold many important places. It encourages the members to work on the paper, the Triangle.

The members are chosen on a purely ability basis, and students are pledged at the beginning of the semester—if satisfactory work is done on the Triangle or the Revonah during the semester.
